**Your Career Safari Tour Guides: Rhian Pamphilon and Team**

Rhian Pamphilon has over 25 years' experience of managing the career journeys for herself and others, through sales, marketing, personal development and coaching roles. Her career has encompassed traditional blue-chip companies, Internet start ups, freelance projects, interim assignments and more. Oh, and three redundancies along the way! Rhian and her team now bring you Career Safari to share not only their knowledge but the latest tools and information to make your goals happen – at work, rest and play.
