

researching the cure

Enter a team into the
**RSA PANTOMIME
HORSE DERBY**
in support of
Breast Cancer Campaign

Take the lead and rally up five colleagues to take part in RSA Pantomime Horse Derby at the Royal Windsor Racecourse on July 30th. Your team of five will be made up of two people in the front and back of the horse, a groom, an owner and a trainer. It costs £500 to enter and from £225 to purchase your costume. Alternatively you can source your own costume. There will be pantomime horse races, a professional dressage demonstration and a pantomime horse dressage competition with great prizes and trophies up for grabs.

There'll be a BBQ lunch to fuel your team on the day and you can bring along as many supporters as you like to help cheer your team across the finish line. Tickets are £50 each. All proceeds from the event shall be donated to Breast Cancer Campaign. Campaign funds innovative research to help beat breast cancer.
