

Women in Banking and Finance Speakers Club

affiliated to [Women in Banking and Finance](#) and [Toastmasters International](#)

WIBF Speakers (WIBFS) is a Communications and Leadership group helping its members to speak, listen and think. WIBFS provides a mutually supportive and positive learning environment in which every member gets the opportunity to develop. Our friendly and professional groups love to welcome visitors so do please feel free to come along as a guest, just let us know in advance.

The meetings are every Wednesday, alternating between City and Canary Wharf, and are in 2 parts. Part one is the ad-hoc, 2 minute speeches by members and willing guests, followed by part two which is the 5-7 minute prepared speeches by members. We start at 6pm until 8pm followed by wine, nibbles and networking. WIBF Speakers is affiliated to Toastmasters International.
